EDUCATION **Google UX Design Professional Certificate**

January 2024

University of California, Riverside

September 2018 - September 2022

B.S. Computer Science with Business Applications

Co-Founder, [Design @ UCR](#) - Marketing Lead, [Women in Computing](#)

EXPERIENCE **UX Writing Apprentice - [Casa Areyto](#)**

Sep 2024 - Nov 2024

- Defined and documented voice and tone guidelines for microcopy, ensuring alignment with the organization's mission to restore the indigenous Taíno language
- Created the organization's first comprehensive content style guide, establishing a foundation for consistent and culturally sensitive communication
- Worked with cross-functional design and development teams to refine microcopy and content hierarchy

UX Design Apprentice - [Baddies in Tech](#)

May 2024 - Aug 2024

- Impacted 11,000 users by conducting heuristic evaluations and delivering design solutions in a fast-paced, agile environment
- Designed comprehensive user flows and wireframes for early MVP features
- Spearheaded the defining of UX strategy and roadmap, contributing to the long-term vision of a non-profit organization empowering women of color in tech careers

UX Designer - [Prytaneum](#), UCR School of Public Policy

June 2021 - May 2022

- Led the effort to optimize the user experience and drive engagement on an open-source online town hall platform used by 80+ US counties
- Transformed user research to visualize product direction and inform the design process from ideation to interactive prototypes
- Conducted open discussions with front-end engineers throughout the development process
- Improved user satisfaction scores by 63%
